HEART OF THE NEWS

LING, MIGNATHIG - INOVERTIDER 4, 1900

Film stories are the heart and soul of television news. Our photographers and reporters (and our statewide correspondents) shoot an average of 15,000 feet of motion picture film each month. Few, if any, television stations in the South exceed that footage.

AP AWARD IF YOU'RE NEW HERE

. we welcome the opportunity to bring the news into your home each day. Every newscast is fresh, loaded with the latest reports. We hope you'll stay with WSFA-TV News. It is Central and South Alabama's most-watched television programming. More people watch Jack Venable's Evening News on Monday than watch "Bonanza" on Sunday, according to the latest ARB rating service report.
